

Record the words. Listen to one at a time.

Write one letter in each column, all on the same line.

'ai' and 'ay' make one sound so both letters go in one column.

1. Listen carefully to the beginning sound. Write it in the 'B' column.
2. Listen carefully to the middle sound. Write it in the 'M' column.
3. Listen carefully to the end sound. Write it in the 'E' column.
4. Write and say the whole word. Use joined up writing.
