## Bingo

### How to play

2 players

Each player takes a bingo card.

The caller pulls a question card from the bag and reads it aloud.

Both players quickly scan their cards looking for the word, and say 'mine' when they find a match.

If they are wrong then the card goes back into the bag.

If they are correct they put the card over the matching square on their bingo card.

When a player has covered a complete row or column they shout 'bingo'! They then have to accurately read aloud each word on the row/column to win.

If a word is read incorrectly it goes back in the bag and the game continues.
